INVITATION TO PARTICIPATE

Dear colleagues, ladies and gentlemen, dear friends,

it is my honor and pleasure to announce and invite you to the **Annual Congress of the Croatian Society of Vascular Surgery, CroMA with international participation**, which will be held from **September 10th to September 12th 2020**, again in Amadria Park Conference Park in Opatija, with the participation of vascular surgeons from Croatia and renowned guests from abroad.

Also, I would like to announce, taking into account the development of vascular surgery and vascular medicine, that our colleagues will cooperate with us on a daily basis in various fields of vascular medicine, and for the benefit of our patients: interventional radiologists, cardiologists, cardiac surgeons, anesthesiologists, neurologists, clinical pharmacologists and phlebologists.

The professional part will cover the most interesting and the most current topics in vascular medicine, surgical and endovascular treatment of thoracic and abdominal aortic aneurysms, hybrid procedures in vascular medicine, surgical and endovascular treatment of carotid arteries and peripheral arterial disease, medicamentous and endovascular treatment of venous thrombosis, endovenous vein treatment, and a modern multidisciplinary approach for the treatment of chronic wounds. We are also continuing a new area in vascular medicine - clinical nutrition, which is increasingly prominent in the treatment of various profiles of our patients.

Selected topics require a multidisciplinary approach to the treatment and collaboration of vascular surgeons, intervention radiologists, cardiologists, cardiac surgeons, neurologists, dermatologists, clinical pharmacologists, general practitioners, and other specializations.

Of course, we continue to award prizes for the best presentations by young scientists to encourage them and encourage their further education in vascular medicine.

Numerous and extremely high quality presentations within the organization of the **Symposium of the Croatian Society of Nurses and Vascular Surgery Technicians** give special value to our expert meetings. Through its activities, the Society enriches and encourages the further education of all profiles of healthcare professionals in the care of our patients.

An exhibition will be organized in the congress space, where you can present your products and services. In addition, there is the possibility of a sponsored lecture or other presentation of your products or services, which we offer below. For full details on sponsorship participation please contact our congress agency, whose

representatives, together with you, will arrange the most appropriate sponsorship option that meets your specific requirements.

Thank you for your support, see you in April in Opatija!

Prof **Miljenko Kovačević**, MD, PhD
President of the Organizing Committee
President of the Croatian Society of Vascular Surgery, CroMA

Dear colleagues and friends!

It is a special honor and pleasure to invite you to join us at this year **Symposium of the Croatian Society of Nurses and Vascular Surgery Technicians** which will be held in Opatija from **September 10th to September 12th 2020**. Professional topics will cover areas of endovascular surgery, venous insufficiency, health promotion and prevention of cardiovascular diseases and free topics.

Symposium is multidisciplinary, conceived as a bridge between professionals of various specialties who are scientifically or professionally engaged in prevention, detection, diagnosis and therapy in vascular surgery.

The work of the Symposium will take place through oral presentations, poster sessions and discussions, which will provide opportunities for all participants to share information related to new ideas and technologies and their application in everyday diagnostic and therapeutic practice. We hope that selecting topics from the field and actively participating will stimulate your interest.

Our desire is to take advantage of your stay and enjoy a good time during the Symposium, deepen your old and develop new friendships.

We hope our Symposium will meet your expectations, because its success depends on your active participation.

We are waiting for you in Opatija this April!

Linda Čendak Božunović, mag. med. tech.
Predsjednica Simpozija medicinskih sestara i tehničara vaskularne kirurgije
Predsjednica HDMSTVK
