

ANF₂₀₂₆

15th ADRIATIC NEUROLOGY FORUM

15.-18.10.2026.
Amadria Park Grand Hotel
4 Opatijska Cvijeta

A composite image featuring a bronze statue of a man standing on a rock in the sea, with a coastal town and hills in the background. The image is framed by a glowing, curved, golden border.

15.-18.10.2026.

Amadria Park Grand Hotel
4 Opatijska Cvijeta

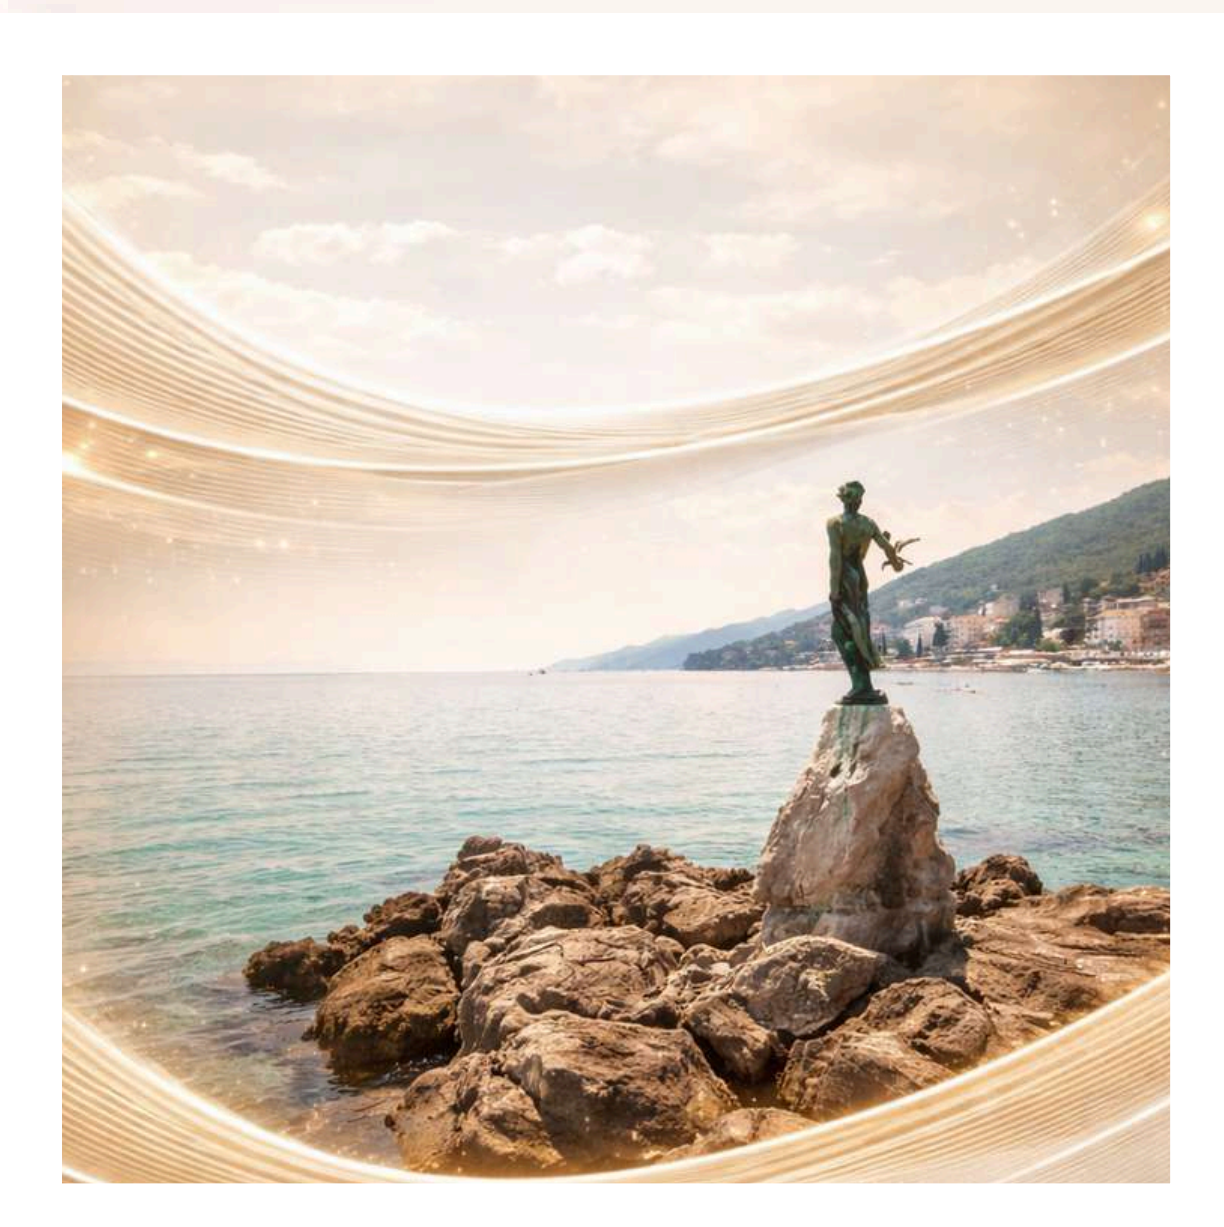

15-18 OCTOBER 2026

15:00	Registration
17:00	OPENING CEREMONY

	Chairs: Z. Poljaković Skurić, R. Raičević, M. Roje Bedeković, S. Rutović
17:15 – 17:35	M. Bralić: The artery is open – why isn't the patient recovering?
17:35 – 17:55	Z. Poljaković Skurić: Complications of Subarachnoid Hemorrhage – Current Insights
17:55 – 18:15	S. Rutović: Think BAD
18:15 – 18:35	H. Budunčević: When should oral anticoagulant therapy be initiated after a stroke?
18:35 – 18:55	T. Breitenfeld, T. Čustović: Oral anticoagulant therapy after intracranial hemorrhage
18:55 – 19:15	M. Roje Bedeković: What are we missing in intracranial hemorrhage (ICH)?
19:15 – 19:35	V. Pasovski: Pharmacoeconomics of Stroke in Serbia

	Chairs: E. Bilić, H. Bilić
09:00 – 09:30	Moderator: E. Bilić; F. Sacca: Myasthenia Gravis – Treatment update (Symposium by AstraZeneca)
09:30 – 10:00	E. Bilić, H. Bilić: Friedreich's ataxia treatment: pros and cons (Sponsored workshop by Biogen)
10:00 – 10:20	L. Dežmalj Grbelja: Impact of comorbidities on myasthenia gravis treatment

ANF₂₀₂₆

15th ADRIATIC NEUROLOGY FORUM

15.-18.10.2026.

Amadria Park Grand Hotel
4 Opatijska Cvijeta

10:20 – 11:00 | NEUROIMMUNOLOGY (Sponsored by Novartis)

Chairs: I. Lazibat, T. Gabelić, T. Bošković Matić, V. Bašić Kes

10:20 – 10:40 **M. Knežević:** The role of the microbiota in neuroinflammation in multiple sclerosis

10:40 – 11:00 **T. Gabelić:** New therapeutic options for NMOSD and MOGAD

11:00 – 11:30 | BREAK

11:30 – 13:10 | NEUROIMMUNOLOGY (Sponsored by Novartis)

11:30 – 11:50 **M. Titlić:** The role of evoked potentials in the diagnosis of multiple sclerosis

11:50 – 12:10 **I. Bašić:** The other face of neuroimmunity

12:10 – 12:40 **S. Kidemet Piskač:** Kesimpta + Mayzent: Are we treating the multiple sclerosis we see today or the disease we want to prevent tomorrow? **(Symposium by Novartis)**

12:40 – 13:10 **Sponsored workshop by Merck**

13:10 – 14:10 | LUNCH BREAK

14:10 – 16:30 | HEADACHE (Sponsored by PLIVA)

Chairs: M. Titlić, A. Radojičić, V. Vuković Cvetković, K. Bačić Baronica

14:10 – 14:30 **M. Bosnar Puretić:** Therapeutic options for refractory headache

14:30 – 14:50 **A. Pantović:** Facial neuralgic pain – clinical spectrum and therapeutic approach

14:50 – 15:10 **V. Vuković Cvetković:** Spontaneous intracranial hypotension: from clinical suspicion to the hidden leak

ANF₂₀₂₆

15th ADRIATIC NEUROLOGY FORUM

15.-18.10.2026.
Amadria Park Grand Hotel
4 Opatijska Cvijeta

- 15:10 – 15:40** **AQUIPTA® in Migraine Prevention:** From Evidence to Everyday Clinical Practice (**Sponsored Symposium**)
M. Titlić: AQUIPTA®: Improving Outcomes Through Oral Migraine Prevention
I. Milas: From Patient Profile to Treatment Success: Real-World Experience with AQUIPTA®
- 15:40 – 16:00** **M. Bosnar Puretić:** AJOVY® in migraine prophylaxis in women: therapeutic continuity from reproductive age to menopause (**Sponsored lecture by PLIVA**)
- 16:00 – 16:30** **M. Stojić, M. Majdak:** Aimovig: Beyond the headache: Contemporary perspectives in migraine treatment (**Symposium by Novartis**)

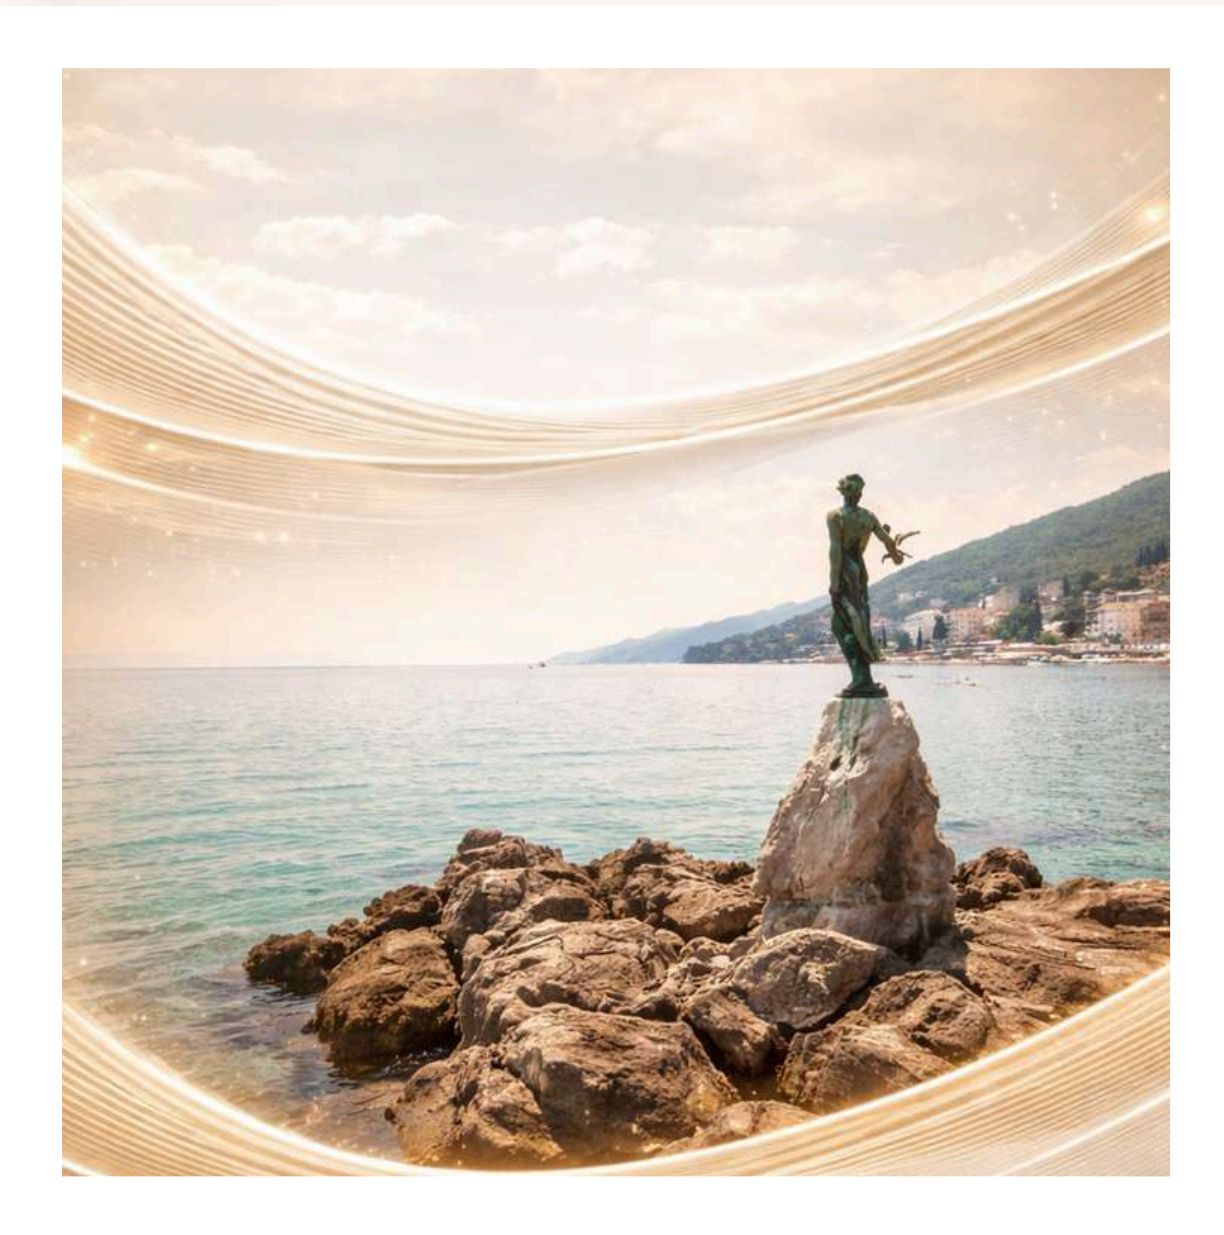

16:30 – 18:15 | COMORBIDITIES IN NEUROLOGY

- Chairs: Z. Poljaković Skurić, S. Jurić**
- 16:30 – 16:45** **Z. Poljaković Skurić:** Obesity through the lens of a neurologist (**Symposium by Eli Lilly**)
- 16:45 – 17:00** **M. Matovinović:** A new era in the treatment of obesity: GIP/GLP-1 biology and clinical implications (**Symposium by Eli Lilly**)
- 17:00 – 17:15** **S. Jurić:** The invisible burden of the night: sleep apnea and obesity (**Symposium by Eli Lilly**)
- 17:15 – 17:35** **E. Papić:** Treatment of functional neurological disorders
- 17:35 – 17:55** **P. Gulin:** Multidisciplinary Approach to Dysphagia – Experience of the Dubrava University Hospital
- 17:55 – 18:15** **P. Danjek:** Dysphagia and Neurological Comorbidities: Two Perspectives on the Same Patient

18:15 – 19:15 | YOUNG NEUROLOGISTS' FORUM

- Chairs: I. Božović, S. Lasić**
- 18:15 – 18:30** **B. Ruška:** How and When to Test the Autonomic Nervous System
- 18:30 – 18:45** **L. Oštro, J. Koščak Lukač:** Psychosis as a Possible Primary Manifestation of Syphilis
- 19:00 – 19:15** **K. Jažić, S. Tomasović:** CJD – The Path to Diagnosis

ANF₂₀₂₆

15th ADRIATIC NEUROLOGY FORUM

15.-18.10.2026.
Amadria Park Grand Hotel
4 Opatijska Cvijeta

Saturday 17 October 2026

09:00 – 09:30 | EXPERT OPINION

09:00 – 09:30 I. Durlen: Apheresis in neurology – how can a nephrologist help you?

09:30 – 11:25 | NEURODEGENERATIVE DISORDERS

Chairs: S. Tomasović, P. Bago Rožanković, V. Vuletić, N. Klepac, N. Dragašević

09:30 – 09:50 N. Klepac: New approaches to Alzheimer disease: where we stand today

09:50 – 10:10 P. Bago Rožanković: Device-aided therapies in Parkinson's disease: when to start and which to choose

10:10 – 10:30 V. Vuletić: The role of genetics in DBS and dystonia

10:30 - 11:00 | BREAK

11:00 – 11:20 S. Kostić: From genotype to therapeutic decision-making: the role of ApoE in modern anti-amyloid therapy

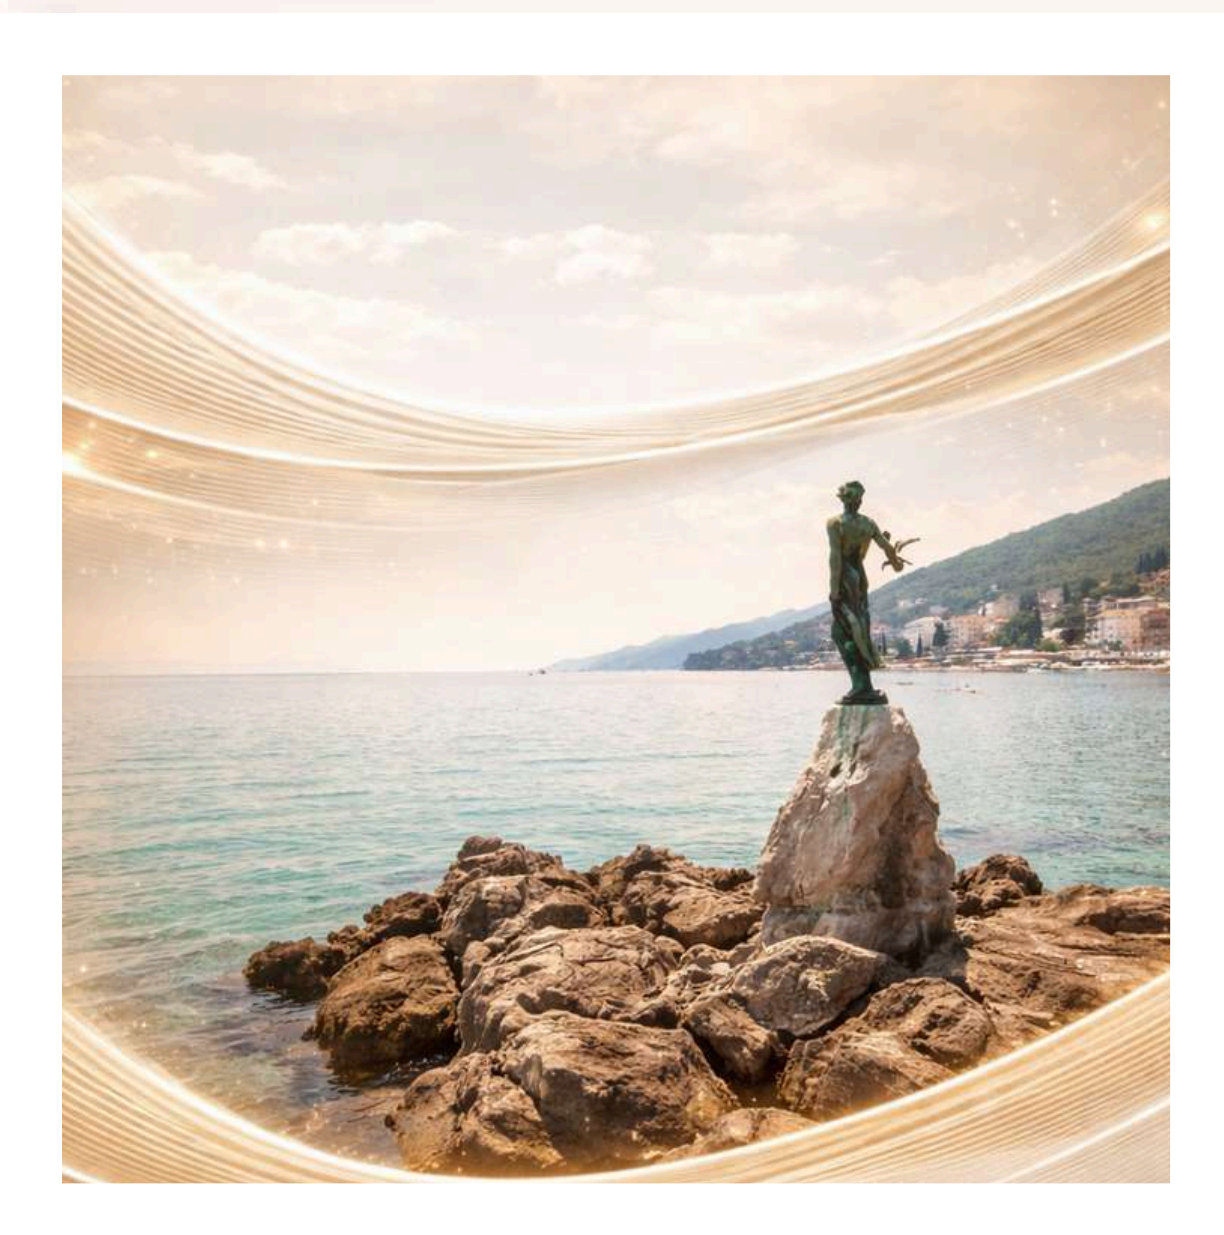

11:20 – 11:40 Lj. Vulje: Patient support program for individuals with advanced Parkinson's disease

11:40 – 11:55 V. Vuletić: Real-World Experience with Produodopa®: Insights from the ROSSINI Study and CHC Rijeka Clinical Practice **(Sponsored Symposium)**

11:55 – 12:10 P. Bago Rožanković: When Is It Time to Rethink the Treatment Strategy in Advanced Parkinson's Disease? **(Sponsored Symposium)**

12:10 – 12:25 H. Šarac: 3. Beyond OFF Time: Why 24-Hour Symptom Control Matters in Advanced Parkinson's Disease **(Sponsored Symposium)**

ANF₂₀₂₆

15th ADRIATIC NEUROLOGY FORUM

15.-18.10.2026.

Amadria Park Grand Hotel
4 Opatijska Cvijeta

12:25 – 14:45 | EPILEPSY

Chairs: S. Bašić, A. Ristić, D. Sporiš, N. Vojvodić

- 12:25 – 12:45** **V. Šulentić:** Reason for epilepsy surgery failure
- 12:45 – 13:05** **N. Vojvodić:** Epilepsy and sleep – a bidirectional mechanism
- 13:05 – 13:25** **A. Bujan Kovač:** Sex-specific aspects of epilepsy management
- 13:25 – 13:45** **A. Sruk:** Epilepsy in the elderly: hidden clues during sleep
- 13:45 – 14:05** **D. Sporiš:** Hypermotor seizures – bridging semiology and diagnosis
- 14:05 – 14:25** **Ž. Petelin Gadže:** Epidyolex - updates in treatment (**Sponsored Symposium by Swixx BioPharma**)
- 14:25 – 14:445** **I. Bašić:** Challenges in the diagnosis of Lennox-Gastaut Syndrome (**Sponsored Symposium by Swixx BioPharma**)

14:15 - 15:15 | LUNCH BREAK

14:45 – 15:45 | EPILEPSY

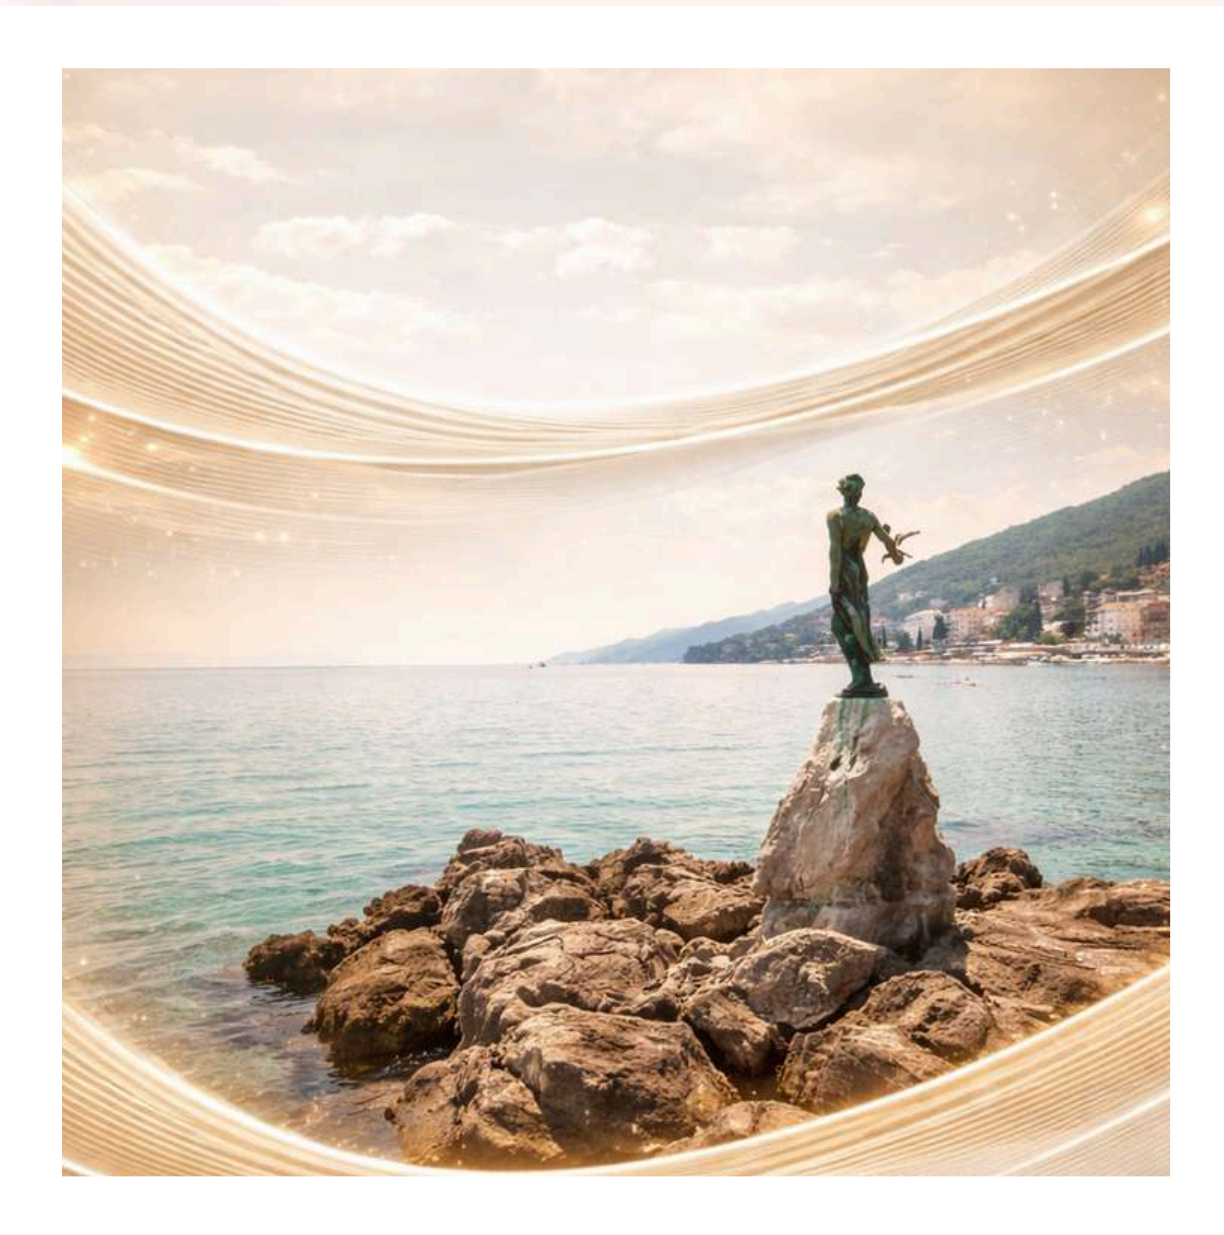

- 15:45 – 16:05** **S. Bašić:** Current challenges and future perspectives in epileptology
- 16:05 – 16:25** **A. Ristić:** The influence of regulatory agencies on the clinical practice of epileptologists
- 16:25 – 16:45** **M. Malenica:** Fintepla (fenfluramine): a new chapter in the treatment of Dravet syndrome and Lennox-Gastaut syndrome (**Symposium by Medis Adria**)

16:45 – 18:15 | YOUNG NEUROLOGISTS' FORUM

Chairs: I. Bašić, I. Šušak Sporiš

- 16:45 – 17:00** **N. Mazalica:** Autonomic Dysfunction in Patients with Cerebellar Ataxia
- 17:00 – 17:15** **A. Milovanović:** Hereditary Ataxias – The Clinical-Genetic Spectrum in Serbia
- 17:15 – 17:30** **F. Đumbir, P. Črnac:** Overlap of Autoimmune Neuromuscular Disorders
- 17:30 – 17:45** **A. Meštrović:** Persistent Postural-Perceptual Dizziness (PPPD)

ANF₂₀₂₆

15th ADRIATIC NEUROLOGY FORUM

15.-18.10.2026.
Amadria Park Grand Hotel
4 Opatijska Cvijeta

Sunday 18 October 2026

09:00 – 10:00 | YOUNG NEUROLOGISTS' FORUM

Chairs: D. Sporiš, S. Bašić

- 09:00 – 09:15** **F. Đerke:** Disease – Modifying Therapy in Early Alzheimer's Disease
- 09:15 – 09:30** **S. Lasić:** Efficacy of antiparkinsonian infusion therapies in the treatment of non – motor symptoms of advanced Parkinson's disease
- 09:30 – 09:45** **H. Chudy:** When Dysphagia Is the Only Symptom – V4 Segment Vertebral Artery Occlusion (A Case Report)
- 09:45 – 10:00** **I. Mrđen:** Beyond Goosebumps- Piloerectile Seizures as a Rare Manifestation of Anti-LGI1 Encephalitis

10:00 - 10:15 | BREAK

10:15 – 11:00 | YOUNG NEUROLOGISTS' FORUM

- 10:15 – 10:30** **D. Spasojević:** Miller Fisher Syndrome with Complete Recovery
- 10:30 – 10:45** **J. Tabančević:** Ptosis as a Neurological Warning Sign
- 10:45 – 11:00** **M. Stojković:** Brain Death – Neuralgic facial pain

11:0 – 12:15 | EPILEPSY WORKSHOP

- 11:00 – 12:15** **S. Bašić, D. Sporiš, A. Ristić:** The Pharmacoresistant Epilepsy

- 12:15 – 12:45** **CLOSING REMARKS**
